

Will there be sustained noise?

(Sustained noise refers to loud music or raised voices that are persistent (i.e. not merely occasional).)

YES

YES

This event **must** be registered as a party, even if it does not involve alcohol.

NO

Will there be alcohol AND guests who do not live in the suite?

YES

YES

This event **must** be registered as a party, even if there is no sustained noise.

NO

This event **does NOT** need to be registered as a party.

WHAT IS A PARTY?

In Adams, events that are considered parties (and thus require registration) are those that involve:

ALCOHOL + GUESTS; or

ALCOHOL + SUSTAINED NOISE; or

SUSTAINED NOISE.

This flowchart is intended to help you to determine whether your event requires registration.
